Dear

Welcome to the 20th Annual Ladies' Tractor Road Run - 2024

Thank you very much for your entry to this our 20th Run. A very warm welcome if you've done the Run before or are a new participant, we really hope you will enjoy the experience.

I need to draw your attention to a few details. Please be able to drive your tractor confidently and competently. We will be on public roads for much of the 20 mile route so control, awareness and safety are paramount. We have tremendous support from our local community and many visitors in our very busy town of Harleston, through which we pass, usually in a blur of emotion and tears, so skill is highly important. Please read and share the enclosed safety guidelines with your tractor owner or instructor. **I cannot stress this strongly enough.**

With regard to sponsorship, it is important to read the **detail on the sponsor form**. All sponsors who can Gift Aid their donation must enter their name and address in their **own handwriting**. We have lost a lot of money over time as many Gift Aid donations have to be disregarded by CRUK because the forms have been incorrectly filled in. Alternatively, you can set up your own fundraising page through Cancer Research UK, sponsorship will then go straight to our account there. Please use the link below, and if you need any help please call Libby on 07816 129884, or use the QR code on our Facebook page.

Please don't use Just Giving or Facebook for sponsorship as CRUK will not be able to credit the money to our Run.

What a stunning year we had in 2023! We not only celebrated our 20th Anniversary (we missed 2020 because of Covid) but had a record number of ladies taking part and we raised over £200,000 which took our overall total since 2024 to over £1 million! Amazing! A hard act to follow but I'm absolutely sure we will all do our best to continue to raise much needed funds for such a worthy cause. Everyone knows someone affected by breast cancer.

I'll be in touch nearer the time with further details. Do contact me if you have any **queries**.

Greetings from

Annie,
